Dear Ed,

As you leave us after more than 22 years with the Agency, I extend our appreciation to you for the valuable contributions you have made during this long period of service. Your career has been characterized by dedication and achievement. You have utilized fully your linguistic abilities and other special skills and talents in the service of FBIS and other Agency components.

I join with your friends and colleagues in FBIS and other parts of the Agency in wishing you happiness and success in your future endeavors.

Sincerely,
